The 8th
on-site & on-line

Research & Innovation Forum 2026

BEYOND DISRUPTION:

Redefining Innovation and Competitiveness in Context of (Twin) Transition

Venue: Athens, Greece | Cultural Center of the Municipality of Athens

Date: **April 16-17, 2026 & April 14, 2026** (on-line)

https://rii-forum.org

Certificate of Attendance and Scholarly Presentation

This is to certify that

Igor Calzada & Itziar Eizaguirre

attended and participated in the 8th Research & Innovation Forum, an annual international conference, held online on 14 April and on-site in Athens on 16-17 April 2026, and presented a paper entitled:

EcoTechnoPolitics:
Beyond the Digital-Green Transition Policy Agenda

The Rii Forum 2026 Organising Committee gratefully acknowledges the quality of this scholarly contribution, the excellence of its presentation, and the thoughtful engagement shown in the discussions of the conference.

Looking forward to continuing the academic collaboration,

Sincerely,

Anna Visvizi, Johan Magnusson & Radosław Malik

Rii Forum 2026 Chairs
